

Abel Haile

Information Management Officer / Junior Software Engineer

✉ Abelzzz125@gmail.com ☎ 0934357543 📍 AddisAbaba, Ethiopia

PROFESSIONAL EXPERIENCE

Junior Software Engineer

18/05/2026 – 14/07/2026

Besys Technology PLC

AddisAbaba

- **Frontend Development:** Developed responsive UI components for the *Besys Help Desk* requester portal using React/TypeScript.
- **System Administration:** Configured and managed ManageEngine ServiceDesk Plus and Active Directory workflows for user permissions and identity reconciliation.
- **Client & Remote Support:** Provided remote technical support via AnyDesk for enterprise clients (PSS, Hibret Bank, Safaricom), optimizing ServiceDesk report schedules and service tracking.
- **Technical Documentation & Proposals:** Assisted in drafting progress reports, system documentation, and technical compliance sheets for major client proposals (including Dashen Bank).

Office Assistant

19/04/2024 – 31/12/2026

Agency Digital Tigray

Mekelle

- **Database & Data Management:** Maintained, structured, and updated digital filing systems and administrative databases, ensuring 100% data accuracy and record integrity.
- **Technical Documentation & Reports:** Compiled raw operational data into clear weekly executive reports, user documentation, and administrative compliance summaries.

EDUCATION

ComputerScience

01/2018 – 12/2022
